

How much does a new baby cost?

A Child Development Performance Task
Meigs County High School
Child Development Class
Mr. Marc L. Penrod

How much does a new baby cost? Probably more than you expect. This project will give you an estimate of how much preparing for the arrival of a new baby might cost. To complete this project you will be required to go to stores (physically or virtually).

Directions for completing expense sheets:

- 1. Go to a store that sells baby items.**
- 2. Record the brand name, a brief description of the item, the UPC number or model number, the prices of one or one package of that item, and an extended (or total) cost for every item.**
- 3. Complete the total boxes for each page.**
- 4. Complete the Summary Page.**
- 5. Turn in to Mr. Penrod on or BEFORE November 7th. Late projects will not be accepted.**
