As the new pastor at Cottonport Road Church of God, I was thrilled to learn about the Give a Kid a Chance outreach. It is a wonderful opportunity for us to make a difference in the lives of the children in our community and help their families with the financial burden of sending them back to school. God has opened the hearts of many individuals and businesses inside and outside our community and church to make this outreach possible each year. This year Give a Kid a Chance has been scheduled for August 3 at the fairgrounds in Decatur, next to Meigs Middle School.

We offer multiple goods and services to all school children in the K-12 ages. These goods and services mentioned include, but are not limited to, free back packs filled with age appropriate school supplies, dress code compliant clothing, haircuts, meals, complete health exams done by local doctors, blood work, dental exams, and even oil changes, all of which are designed to make that dreaded first day of school an easier transition for both students and parents. Last year, we gave out over $75,000 in goods and services.

It is with all this in mind that we are giving you and your business the opportunity to give financially to this truly wonderful cause. We at Cottonport Road Church of God, on behalf of all the Meigs County children who benefit from this outreach, wish to thank you and appreciate your continued generosity. It is because of individuals like you who volunteer their time and financial support that this event is made possible.

If you can assist in any way with Give a Kid a Chance, please contact us by mailing the enclosed form, sending an email to ggattenby@gmail.com or calling Wanda Bryant at 334-9152, Amanda Pritchette at 334-3800 or Janice Johns at 506-9416.

May the Lord richly bless you!

In His Service,
